

All-Sport Season Passes

Sequoyah High School will be offering All-Sport passes for Athletic events held at Sequoyah this school year. These passes will allow the holder admission to any Regular Season Home Event (playoffs are not included). There are 3 types of passes:

1. Student passes (\$75)
2. Adult passes (\$75)
3. Child passes (\$75) (Ages 6-13)

All passes are numbered and will be assigned individually. Student and Adult passes must be accompanied by a Photo ID when presented at Entry Gate.

Varsity Football ticket prices are now \$8 and all other sporting events are \$5. Anyone who plans to attend the home football games will spend \$40 just for football games. For the price of attending just 7 more games, our fans can attend all Sequoyah High School Athletic events without paying admission fees. With 22 sports, there is something going on almost every night, and when there is a baseball game and a soccer match, or a softball game and a JV football game occurring at the same time, this pass will allow a spectator to visit both events without having to pay admission at both gates. It is our hope that these passes will save you money and increase attendance at our Athletic Events.

Please return this order form to Ms. Honea in the attendance office with your check made payable to "Sequoyah HS" if you are interested in purchasing an All-Sport Season Pass for the 2017-18 school year OR you can purchase passes online at:
