

After Thanksgiving, teams will start collecting canned goods, monetary donations, and new, unopened toys for our annual charity drive known as Spirit of the Season. Not only will these items earn council points for your team, but they will also help families in need this holiday season. Last year, Teasley raised over \$1,600 in monetary donations and also gave 310 toys and over 1,025 nonperishable food items to various charities within Cherokee County. Let's try to beat those numbers this year! Bring in canned goods, new toys, or gift cards and turn them in to your homeroom teacher. We will collect until December 14<sup>th</sup>.
