

Dear Raider Families,

The Title I Parent Survey is an opportunity for you, stakeholders, to provide feedback into critical components of the educational programs at Teasley Middle School. Parents may complete a brief survey using their personal computer, smartphone or tablet. For parents that do not have access to the internet, we have a dedicated laptop stationed in the Teasley front office where you can complete the survey during regular school hours. The survey window is open through March 17, 2017. Printed copies of the survey are also available in the front office.

The survey can be accessed using the link below:
