

CHEROKEE COUNTY SCHOOL DISTRICT

CCSD First Day Information

As a part of its annual “First Day of School” processes, the School District provides students and parents/guardians with vital information which impacts every student during the course of the school year. In our continued effort to improve productivity, while maintaining effective communication between school and home, the School District is again providing this information to its students and parents/guardians by posting important first-day documents on the CCSD website for review and downloading—this address is www.cherokeek12.net.

If a family does not own or have access to a computer that would currently allow for review of this information, please indicate so in the space provided below, and a complete packet of this information will be provided to your student through the school’s front office.

NOTE: A hard copy of the required CCSD Discipline Code is being provided to all parents/guardians—no on-line access is required for this particular document.

I AM UNABLE TO ACCESS THE CCSD FIRST DAY INFORMATION PROVIDED ON THE DISTRICT’S WEBSITE AND/OR DO NOT HAVE A PRINTER. I WILL NEED PAPER COPIES TO BE SENT HOME WITH MY STUDENT.
