

# Splish Splash Break Camp!

The Splish Splash Break Camp at the Cherokee County Aquatic center is a fun way for your children (Ages 6-13) to spend their school breaks! We have lots of pool fun and take a couple of off site trips to break up the week. All children must be able to swim 25yards continuously without assistance or stopping to be eligible for this camp. Price for the camp includes a tee-shirt, trips and lunch on trip days.
