GENERAL INFORMATION: Courses may be taken by Cherokee County students for initial credit or for credit recovery. Courses will be offered when there is sufficient demand. There must be an adequate number of students registered for a course before it will be offered at either or both Summer School locations (Cherokee HS and Etowah HS). When an inadequate number of students are registered for a specific course at both locations, efforts will be made to merge the students into one course and the course will be housed at the campus where the majority of the students registered for the course. Students will be notified by the Summer School Administrator if there are an inadequate number of students registered to offer a course or if students need to be merged to form a course on one campus. Each course is worth .5 unit of credit. A student may earn a maximum of 1 unit academic credit during the 15 days/60 hours summer school session (2 courses of .5 credit each).

TUITION: \$200.00 per .5 unit of credit.* All fees must be paid in full at the time of registration. Money order or cash are the only acceptable methods of payment. Registration ends on the first day of summer school. Additional charges may be assessed for textbook/library book loss or damage. The book damage fee will follow the regular formula.

REFUNDS: Summer school is only 15 days with a rigorous curriculum. Be sure this is the appropriate forum for your child's success. **NO REFUNDS WILL BE ISSUED ONCE CLASSES BEGIN.** If your child has received his/her report card and has a passing grade for the class he/she is scheduled to take in summer school, you must submit the Refund Request form (located on the Cherokee County School District website under "Parent and Community" then "Forms" at <http://cherokeek12.net/forms/>) to the Summer School Administrator. Be sure to attach a copy of your child's report card to the Refund Request form. All refunds will be mailed the last week of June to the address listed on the Refund Request form.

ATTENDANCE for INITIAL CREDIT/CREDIT RECOVERY located at CHS and EHS only: Students are expected to attend all classes. Upon the FIRST absence, students will be automatically dropped from class and receive a "W" on their transcript. THERE ARE NO EXCEPTIONS. IF A STUDENT PLANS TO BE ABSENT FOR ANY REASON SUCH AS CHURCH CAMPS, SPORTS CAMPS, VACATIONS, WEDDINGS, ETC., DO NOT REGISTER FOR SUMMER SCHOOL.

RULES: All Cherokee County School District rules and regulations, including dress code, will apply during summer school. Any student in violation of the dress code will be sent home and counted as absent. Every student has received a copy of the Student/Parent Handbook at their home school which includes the Cherokee County Student Offense and Discipline Procedures. VIOLATIONS OF RULES WHICH REQUIRE SUSPENSION DURING THE REGULAR SCHOOL YEAR WILL BE GROUNDS FOR SUMMER SCHOOL DISMISSAL AND MAY CONTINUE INTO THE 2017-18 SCHOOL YEAR.

PICK UP POLICY: All students must be picked up at 12:00 p.m. for morning class or 4:30 p.m. for afternoon class. FAILURE TO ABIDE BY THIS RULE TWO TIMES WILL RESULT IN DISMISSAL FROM SUMMER SCHOOL AND NO REFUND OF TUITION WILL BE GIVEN. If this presents a problem, DO NOT REGISTER FOR SUMMER SCHOOL.

MEDIA COVERAGE: Summer School events and programs may be considered newsworthy and of interest to local communities. Your child may on occasion be interviewed or photographed by the news media for positive school news coverage. Your child's image, name or intellectual property may be included in School District publications or school web pages and through social media. If you do not approve for your child to be included in any or all of the above media coverage, please make a note in the comment box on the registration form.

NON-CCSD STUDENTS: *Non-CCSD students who are residents of Cherokee County are allowed to participate in the School District's HS Summer School Program as long as (a) they can pay the established Non-CCSD student fee of \$300 per class for the coursework and (b) their participation does not displace CCSD students from the course. This has been extended (by prior approval) many times to students who may not reside in the county during the school year, but are visiting tax-paying parents/guardians for the summer. The same opportunity for summer school participation does not exist for students participating in Title I, Bridge or ESY Summer Programs because student fees are not assessed for the programs in which those students participate. Those programs are established from "same-year" funding derived and allocated based on students enrolled in the School District during the given year.

The Cherokee County Board of Education, Georgia, prohibits any policy or procedure which results in discrimination on the basis of age, color, disability, gender, national origin, marital status, race, or religion.
