

BOARD POLICY
Facilities Projects Administration

Descriptor Code: FG

The Superintendent shall have general, overall responsibility for supervising construction authorized by the Board. The Superintendent shall act as liaison between the Board and the architects working on the project.

The Superintendent shall have authority to grant all utility easements required for the purpose of providing services to district facilities. The easement granted shall be used exclusively for the construction/maintenance of services requested by CCSD.

ADOPTED: August 2, 2001

REVISED: July 22, 2009

Cherokee County Board of Education
