

**BOARD POLICY**  
**Professional Personnel Hiring**

---

**Descriptor Code: GBD**

All persons holding positions in the Cherokee County School System for which certification from the Professional Standards Commission is required must have completed the course work and all other requirements necessary for certification prior to employment and must maintain certification during employment.

All professional applicants are required to complete a standard application form and furnish a copy of college transcripts. The transcript requirement may be waived at the discretion of the Superintendent when time does not permit securing a transcript.

Certificated personnel of the Cherokee County Schools may be employed by the Board only upon the recommendation of the Superintendent. The Superintendent's recommendation, which shall be in his or her discretion, shall follow the completion of employment procedures established by the Superintendent and staff to provide adequate screening of persons for employment.
